No 08-CV-0066 (TPG)

DECLARATION OF JEREMY FEIGELSON

1. I am a member of Debevoise & Plimpton LLP, counsel to Defendants Celtic Thunder Ltd., Celtic Man Ltd., Sharon Browne and WLIW LLC. I submit this declaration on personal knowledge in support of Defendants' opposition to Plaintiff's motion for a preliminary injunction.

2. Attached as Exhibit A are true and correct copies of United States Trademark Applications, Serial Nos. 77171857, 77171847, 77171836 and 77171831, filed May 3, 2007 by Celtic Woman Ltd.

3. Attached as Exhibit B is a true and correct copy of United States Trademark Registration No. 3,263,503.

4. Attached as Exhibit C is a true and correct copy of an Office Action by the United States Patent and Trademark Office dated May 1, 2006 in regards to United States Trademark Application, Serial No. 78560728.

5. Attached as Exhibit D are true and correct copies of United States Trademark Registration Nos. 2,885,489; 2,256,333; 2,576,792; 2,415,752; 2,409,539; and 2,700,460.

I declare under the penalty of perjury that the foregoing is true and correct.

Executed at New York, New York this 6th day of February, 2008:

/s/ Jeremy Feigelson

Trademark/Service Mark Application, Principal Register

Serial Number: 77171857

Filing Date: 05/03/2007

To the Commissioner for Trademarks:

MARK: CELTIC MAN (Standard Characters, see mark)

The literal element of the mark consists of CELTIC MAN. The mark consists of standard characters, without claim to any particular font, style, size, or color.

The applicant, Celtic Woman, Ltd., a corporation of Ireland, having an address of 32 Lower Lesson Street, Dublin 2, Ireland, requests registration of the trademark/service mark identified above in the United States Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946 (15 U.S.C. Section 1051 et seq.), as amended.

International Class 041: Entertainment, education, cultural activities and radio and television entertainment services, namely entertainment in the nature of live performances by a musical or dance group or performer, live music concerts and dance performances, and providing television programs in the fields of music and dance; entertainment and educational services, namely production of musical and dance shows, videotape, audiotape, radio and television programs, organizing exhibitions and events for entertainment, educational and cultural purposes in the fields of music and dance; providing a Web site featuring musical and dance performances, musical and dance videos, and related film clips, photographs and other multimedia materials in the fields of music and dance

Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services. (15 U.S.C. Section 1051(b)).

The applicant hereby appoints Amy B. Spagnole of Hinckley Allen Snyder LLP, 28 State Street, Boston, Massachusetts, United States, 02109 to submit this application on behalf of the applicant.

The applicant hereby appoints Amy B. Spagnole, 28 State Street, Boston, Massachusetts, United States, 02109 as applicant's representative upon whom notice or process in the proceedings affecting the mark may be served.

Correspondence Information:

OFFICE ACTION

RESPONSE TIME LIMIT: TO AVOID ABANDONMENT, THE OFFICE MUST RECEIVE A PROPER RESPONSE TO THIS OFFICE ACTION WITHIN 6 MONTHS OF THE MAILING OR E-MAILING DATE.

MAILING/E-MAILING DATE INFORMATION: If the mailing or e-mailing date of this Office action does not appear above, this information can be obtained by visiting the USPTO website at <http://tarr.uspto.gov/>, inserting the application serial number, and viewing the prosecution history for the mailing date of the most recently issued Office communication.

Serial Number 78/560728

This letter responds to the applicant's communication filed on March 7, 2006.

Likelihood of Confusion—Section 2(d)

Registration was refused under Trademark Act Section 2(e)(1), 15 U.S.C. Section 1052(e)(1), because the subject matter for which registration is sought is merely descriptive of the identified services.

The examining attorney has considered the applicant's arguments carefully but has found them unpersuasive. For the reasons below, the refusal under Section 2(e)(1) is maintained and made **FINAL**.

The applicant has applied for registration of the mark CELTIC WOMAN for "Entertainment, education, cultural activities and radio and television entertainment services, namely entertainment in the nature of live performances by a musical or dance group or performer, live music concerts and dance performances, and providing television programs in the fields of music and dance; entertainment and educational services, namely production of musical and dance shows, videotape, audiotape, radio and television programs, organizing exhibitions and events for entertainment, educational and cultural purposes in the fields of music and dance; providing a web site featuring musical and dance performances, musical and dance videos, and related film clips, photographs and other multimedia materials in the fields of music and dance."

The applicant asserts that “the term CELTIC, like AMERICAN, lacks a clear definition and, at best, only vaguely imparts information about attributes or characteristics of the Applicant’s music and dance entertainment services and is therefore suggestive. The examining attorney is not persuaded by this argument.

A mark is merely descriptive, if it describes an ingredient, quality, characteristic, function, feature, purpose or use of the relevant goods/services. *In re Gyulay*, 820 F.2d 1216, 3 USPQ2d 1009 (Fed. Cir. 1987); *In re Bed & Breakfast Registry*, 791 F.2d 157, 229 USPQ 818 (Fed. Cir. 1986); *In re MetPath Inc.*, 223 USPQ 88 (TTAB 1984); *In re Bright#Crest, Ltd.*, 204 USPQ 591 (TTAB 1979); TMEP section 1209.01(b). A mark that describes an intended user or group of users of a product or service is merely descriptive, within the meaning of Section 2(e)(1). *In re Planalytics, Inc.*, 70 USPQ2d 1453 (TTAB 2004) (GASBUYER merely describes intended user of risk management services in the field of pricing and purchasing natural gas); *Hunter Publishing Co. v. Caulfield Publishing Ltd.*, 1 USPQ2d 1996 (TTAB 1986) (SYSTEMS USER found merely descriptive of a trade journal directed toward users of large data processing systems; evidence sufficient to establish distinctiveness under §2(f)); *In re Camel Mfg. Co., Inc.*, 222 USPQ 1031 (TTAB 1984) (MOUNTAIN CAMPER merely describes intended users of retail and mail order services in the field of outdoor equipment and apparel); *In re Gentex Corp.*, 151 USPQ 435 (TTAB 1966) (PARADER merely describes intended users of protective helmets, namely, parade marchers).

A mark which combines descriptive terms may be registrable if the composite creates a unitary mark with a separate, nondescriptive meaning. *In re Ampco Foods, Inc.*, 227 USPQ 331 (TTAB 1985). The issue is whether the mark considered in its entirety possesses a merely descriptive significance as applied to the goods/services in question. In its entirety, the proposed mark is merely descriptive of the applicant's goods/services. As stated in the prior office action, the term "CELTIC" is defined "Of or relating to the Celtic people and languages." The examining attorney also directs the applicant's attention to the attached dictionary excerpts of the term CELTIC
[\(http://encarta.msn.com/encnet/features/dictionary/DictionaryResults.aspx?refid=1861595770\);](http://encarta.msn.com/encnet/features/dictionary/DictionaryResults.aspx?refid=1861595770;)
<http://www.m-w.com/cgi-bin/dictionary?book=Dictionary&va=Celtic;>
<http://dictionary.cambridge.org/define.asp?key=12146&dict=CALD;> <http://www.bartleby.com/61/32/C0193200.html;> See also, attached NEXIS/Lexis Excerpts. The term "WOMAN," is defined as "3. An adult female human being belonging to a specified occupation, group, nationality, or other category."

The terms "CELTIC," and "WOMAN" both have clearly set forth definitions. The examining attorney directs the applicant's attention to the attached third-party registrations from the Trademark X-search Database system, wherein the terms "CELTIC" and "WOMAN" are disclaimed because it describes the subject matter/intended user of the goods/services. In its combined form, the combined wording "Celtic woman" is descriptive of the applicant's services in that it describes that the applicant's services feature Celtic-themed entertainment and educational services pertaining to women.

Descriptiveness of a mark is not analyzed in a vacuum. The fact that a term is not found in the dictionary is not controlling on the question of registrability. *In re Gould Paper Corp.*, 834 F.2d 1017, 5 USPQ2d 1110 (Fed. Cir. 1987); *In re Orleans Wines, Ltd.*, 196 USPQ 516 (TTAB 1977). The examining attorney must consider whether a mark is merely descriptive in relation to the identified goods, not in the abstract. *In re Omaha National Corp.*, 819 F.2d 1117, 2 USPQ2d 1859 (Fed. Cir. 1987); *In re Abcor Development Corp.*, 588 F.2d 811, 200 USPQ 215 (CCPA 1978); *In re Venture Lending Associates*, 226 USPQ 285 (TTAB 1985). The test in a Section 2(e)(1) analysis is whether the term sought to be registered immediately describes a feature, function, purpose, use or characteristic of the goods/services from the standpoint of the average prospective purchaser. *In re Abcor Development Corp.*, 200 USPQ 215 (CCPA 1978). This "average" purchaser refers to the class or classes of actual or prospective customers of the applicant's particular goods/services. *In re Omaha National Corporation*, 2 USPQ2d 1859, 1861 (Fed. Cir. 1987). From the dictionary definitions, *NEXIS/Lexis News Database*

excerpts, and third-party registrations, it is evident that the relevant purchasing public would clearly understand that the applicant's services feature Celtic-themed entertainment and educational services pertaining to women.

Accordingly, for the reasons stated above, the refusal to register the applicant's mark under Section 2(e)(1) of the Trademark Act on the basis that the mark CELTIC WOMAN is merely descriptive of the goods/services, is made FINAL.

Advisory: A mark in an application under Trademark Act Section 1(b) is not eligible for registration on the Supplemental Register until an acceptable amendment to allege use under 37 C.F.R. §2.76 has been filed. 37 C.F.R. §§2.47(d) and 2.75(b); TMEP §1102.03. When a Section 1(b) application is amended to the Supplemental Register, the effective filing date of the application is the date of filing of the amendment to allege use. 37 C.F.R. §2.75(b); TMEP §§206.01 and 1102.03.

Response Guidelines

If applicant fails to respond to this final action within six months of the mailing date, the application will be abandoned. 15 U.S.C. §1062(b); 37 C.F.R. §2.65(a). Applicant may respond to this final action by:

- (1) submitting a response that fully satisfies all outstanding requirements, if feasible (37 C.F.R. §2.64(a)); and/or

- (2) filing an appeal to the Trademark Trial and Appeal Board, with an appeal fee of \$100 per class (37 C.F.R. §§2.6(a)(18) and 2.64(a); TMEP §§715.01 and 1501 *et seq.*; TBMP Chapter 1200).

In certain circumstances, a petition to the Director may be filed to review a final action that is limited to procedural issues, pursuant to 37 C.F.R. §2.63(b)(2). 37 C.F.R. §2.64(a). See 37 C.F.R. §2.146(b), TMEP §1704, and TBMP Chapter 1201.05 for an explanation of petitionable matters. The petition fee is \$100. 37 C.F.R. §2.6(a)(15).

Its collaboration with the Syracuse Symphony Orchestra was a successful one, thanks to the vigor and skill of the ensemble, as well as the energy imparted by guest conductor Peter Stafford Wilson.

The first portion of the program consisted of some **Celtic-themed** items, including an anonymous and somewhat oompah-ish arrangement of selections from Lerner and Loewe's "Brigadoon," followed by a dashing performance of Calvin Custer's "Lord of the Dance."

Custer's wonderful evocation of traditional instruments, using the resources of the standard symphony orchestra, was quite satisfying, as was the propulsive energy conductor Wilson brought to the performance.

SECTION: LIFESTYLE; Pg. 1D

LENGTH: 453 words

HEADLINE: Christian concert Sunday

BYLINE: Donna Isbell Walker, Staff

BODY:

... video. The people of Belfast, far more than most Americans, understand the constant vigilance of never-ending threats of terror, Card said.

"In Ireland, it's amazing to see how people can build their lives around that and how ... it's almost normal."

Card, who has spent much time in Ireland and released a Celtic-themed album, "Starkindler: A Celtic Conversation Across Time" in 1998, has a great affinity for the music, people and culture of Ireland.

Some of the songs from "Starkindler" likely will be heard in Card's performance in Greenville. The first half of the show will be a mini-concert of his solo works.

Then, in the second half, ...

SECTION: BUSINESS; Pg. 1D

LENGTH: 894 words

HEADLINE: New Rochelle retailer marches to Celtic beat

BYLINE: Rochelle Kass, Staff

BODY:

... Street, but the business took off just when he passed the brokers' exam. A year ago, they moved to their existing store, having outgrown the Larchmont place.

" It was such a big place when we moved here, " Norma Coyne said. " We never thought we'd fill it. "

But fill it they have, with a new line of business. She has brought in Celtic-themed merchandise, including music, Belleek china, Claddagh rings, Irish cookbooks, food and gift baskets, kilts and shamrock-decorated ties and scarves, along with souvenirs such as " Kiss Me, I'm Irish " wood pins, bumper stickers and baby bibs.

Additionally, she started a three-table windowfront tea shop, selling tea and cookies.

Overall, the ...

Celtic Much of English is made up of words from other languages, and it might be expected that Celtic, the group of languages spoken by the inhabitants of the British Isles before both the Roman and Anglo-Saxon invasions, would be an important early contributor. In fact the Celtic legacy in Old English is slight: lough, the Irish word for a lake that has the same ancestor as Scottish loch, is the only significant survivor. The majority of the words of Celtic origin are of later date, and relate primarily to Scottish, Irish, and Welsh culture, history, or landscape. In the cultural sphere Scottish Gaelic has contributed, for example, caber, cairn (a pile of stones), claymore (from Gaelic *claidheamh mor* "great sword"), and pibroch (from Gaelic *pibaireachd* "art of piping," the first element of which derives from English *pipe*); and especially items of clothing such as trews and plaid. Some of these migrants have both Scottish and Irish origins, for example, brogue (via Irish and Scottish Gaelic *brōg* from Old Norse *brók* "leg covering"), ceilidh (via Irish *céilidhe* and Scottish Gaelic *ceilidh* from Old Irish *célide* "visit"), clan (via Gaelic *clan* "offspring" from Old Irish *cland*, ultimately from Latin *planta* "sprout"), and sporran (via Scottish Gaelic from Middle Irish). Scottish Gaelic has given the world whiskey (from *usquebea*, *usque beatha* "water of life"). Irish culture is reflected both in terms of folklore, for example, báisíne and leprechaun, and in 20th-century terms relating to the modern Irish state, for example, DáilÉireann "Irish assembly," Garda, the police force of the Republic of Ireland, and Taoiseach, the title of its prime minister. The best-known Welsh cultural migrant is probably eisteddfod, "traditional music and poetry festival."

The three main Celtic languages are well represented in terms of local geography, geology, and archaeology, but the lesser Breton and Cornish languages also make an appearance in

languages also make an appearance in these categories with menhir (Breton), "large single upright prehistoric stone" and vug (Cornish), "small hole in a rock or vein." Scottish Gaelic and Irish are represented by, for example, esker "long narrow ridge of sand or gravel," glen "long narrow valley," and inch "small island," as well as by loch or lough; crag is also from a Celtic language, probably Welsh *craig* or Gaelic *creagh*. From Welsh come cist "Stone Age coffin," cromlech "circle of prehistoric standing stones" and "ancient stone burial chamber," and cwm "cirque." In zoology Cornish makes its contribution with the shark, porbeagle, and fish, wrasse, Scottish Gaelic with the birds capercaillie and ptarmigan, and Welsh with the corgi dog. In botany the shamrock, of course, comes from Ireland.

Less obvious migrants of Celtic origin include bijou (immediately from French, but the French word was adopted from Breton *bizoù* "jeweled ring," from *biz* "finger"); bunny, the child's word for "rabbit," which goes back to Gaelic *bun* "stump, bottom"; galore, from Irish *go leor* "sufficiency"; pillion, an early migrant to English (15th century), from Gaelic *pilleann*, Irish *pillin* "little couch"; slew, an informal word for "large quantity or number," which came in the mid-19th century from Irish *sluagh* "multitude"; slogan, originally the battle cry of a Scottish Highland clan; and trousers (from Gaelic *triubhas* "close-fitting shorts," from which trews also derives).
